Dear Mr. Lemon:

I am writing in response to the information you gave to State Representative Randy Ramey regarding your suggestions on some internet website changes.

Representative Ramey thought the information had merit and passed it on to me. My staff and I reviewed your material and also thought it had merit.

Therefore, I have sent the material to the appropriate sub-committee of the Judiciary Committee under whose jurisdiction this type of program would be valuable. Should their staff or membership like to pursue the matter further they will be contacting you.

Very truly yours,

Henry J. Hyde
